AMENDMENT

Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Sir:

This is in response to the Official Action dated March 1, 1994. Please amend the above-identified applications as follows:

IN THE CLAIMS:

Claim 12, line 1, delete "10" and insert therefore --9--.

REMARKS

The Office Action objected to the disclosure as Claim 10 apparently expressed dependency on itself. This typographical error was corrected via the Preliminary Amendment mailed August 2, 1993. A copy of that Amendment is enclosed for the Examiner's convenience.

As to the drawings, the requested change will be made. The proposed amendments are indicated in red on the attached drawings. Formal drawings will be prepared upon allowance.
